AGREEMENT OF LEASE

INTERSTATE COMMERCE COMMISSION

AGREEMENT OF LEASE, (hereinafter the "Lease") by and between CFS PLANNING CORPORATION, a California corporation with an office and place of business at 8383 Wilshire Boulevard, Suite 650, Beverly Hills, California 90211, ("Lessor") and CIS RAIL CORPORATION, a California corporation with an office and place of business at 909 Montgomery Street, San Francisco, California 94133, ("Lessee").

IN CONSIDERATION of the mutual agreements hereinafter set forth and the payment of Rent as hereinafter provided for, the parties hereto agree as follows:

1. DEFINITIONS

1.1 "Equipment". "Equipment" shall mean and refer to the Equipment, described in Exhibit "A" annexed hereto, which Lessor purchased from Lessee pursuant to a certain purchase agreement dated September 1, 1984 (the "Purchase Agreement").

1.2 "Fair Market Value". "Fair Market Value" shall mean and refer to the purchase price or rental that would be obtained in an arm's length transaction between an informed and willing buyer, or lessee, under no compulsion to buy or lease and an informed and willing seller, or lessor, under no compulsion to sell or lease. If Lessor and Lessee are unable to agree upon the

Fair Market Value of the Equipment, such value shall be determined, in accordance with the foregoing definition, by an independent appraiser to be mutually agreed upon by Lessor and Lessee or, failing such agreement, by a panel of three (3) appraisers, one selected by Lessor, one selected by Lessee and a third selected by the first two appraisers. The cost of such appraisal shall be borne by Lessee.

1.3 "Lease Term". "Lease Term" shall mean and refer to the term of this Lease as provided in Article 3 hereof.

1.4 "Liens". "Liens" shall mean and refer to collectively the Initial Purchaser's Lien, the Bank Lien and the Seller's Lien, as those terms are defined in the Purchase Agreement.

1.5 "Rent". "Rent" shall mean and refer to the Base Rent, the Percentage Rent and the Additional Rent payable by Lessee to Lessor pursuant to Article 5 hereof.

1.6 "Base Rent". "Base Rent" shall mean and refer to the rent payable by Lessee to Lessor pursuant to Section 5.1 hereof.

1.7 "Percentage Rent". "Percentage Rent" shall mean and refer to the rent payable by Lessee to Lessor pursuant to Section 5.2 hereof.

1.8 "Additional Rent". "Additional Rent" shall mean and refer to the rent payable by Lessee to Lessor pursuant to Section 5.3 hereof.

1.9 "User Lease". "User Lease" shall mean and refer to the lease agreement with MISSOURI-KANSAS-TEXAS RAILROAD COMPANY, (the "User"). A copy of the User Lease is annexed hereto as Exhibit "B".

## 2. PROPERTY LEASED

Lessor as the owner of the Equipment and, in consideration of the Rent to be paid by Lessee and the covenants and agreements of Lessee hereinafter set forth, hereby demises and lets to Lessee, subject and subordinate to the Liens, the Equipment, "AS IS" and "WHERE IS", and agrees to assign all of its right, title and interest in and to all payments due or to become due to Lessor under the User Lease (the "Assignment"). A copy of the Assignment shall be annexed hereto as Exhibit "C".

## 3. TERM

The term of this Lease shall be 201 months, commencing on September 1, 1984 (the "Commencement Date"); provided, however, that the Lease Term may be shortened pursuant to Section 14.2 and Article 15.

4. DELIVERY AND REDELIVERY

On the Commencement Date, Lessor shall cause the Equipment to be located in a place previously designated by Lessee within the United States. At least ten (10) days prior to the expiration or termination of the Lease Term, Lessee shall give Lessor notice of delivery and shall, at the expiration or termination of the Lease Term, immediately deliver or cause the delivery of the Equipment to Lessor in the same state of repair and condition as on the Commencement Date, reasonable wear and tear excepted, to a place specified by Lessor; subject, however, to (i) the rights of the User under the User Lease, and any renewal or extension thereof, or the rights of any permitted sublessees, and (ii) the interest of the Bank and of any lender or other financial institution permitted pursuant to Section 9.2 hereof.

5. RENT

5.1 Base Rent. Lessee shall pay to Lessor, as Base Rent for the Equipment, Zero Dollars (\$0.00) for Months 1 through 12, Forty-seven Thousand Six Hundred Sixty-six Dollars And Eight Cents (\$47,666.08) for Months 13 through 103, and Forty-six Thousand Nine Hundred Twenty-six Dollars And Eight Cents (\$46,926.08) for Months 104 through 201 of the Lease Term, specified in Schedule 1 as "Rent".

5.2 Percentage Rent. Lessee shall pay to Lessor, as Percentage Rent in addition to the Base Rent set forth in Section 5.1, as follows:

(a) Fifteen percent (15%) of all rents actually received by Lessee from the sublease of the Equipment from April 1, 1993, through May 31, 1995, (Month 104 through Month 129 of the Lease Term).

(b) Fifty-five percent (55%) of all rents actually received by Lessee from the sublease of the Equipment from June 1, 1995, through May 31, 1998, (Month 130 through Month 165 of the Lease Term).

(c) One Hundred percent (100%) of all rents actually received by Lessee from the sublease of the Equipment from June 1, 1998, through May 31, 2001, (Month 166 through Month 201 of the Lease Term).

Within ninety (90) days after written request by Lessor, Lessee shall render an accounting setting forth in detail its computation of Percentage Rent.

5.3 Additional Rent.

(a) Lessee shall pay, or cause to be paid, to the appropriate governmental authorities, any and all taxes, imposts, levies, duties, assessments, licenses, tolls, inspection or other fees, however designated, assessed or levied against, arising out of or in connection with the Equipment, Lessor's ownership of the Equipment, the delivery, return, leasing, use or operation thereof or upon the rentals or receipts with respect to this Lease, including all sales, use, value added and ad valorem taxes on personal property and any penalties or interest in connection therewith or amounts in lieu thereof, except penalties or interest arising out of the acts or failures to act of Lessor but not any act or failure to act of Lessee, paid or payable by Lessor with respect to the foregoing, but excluding taxes based on or measured by Lessor's net income. Lessee may, in good faith and at its sole cost and expense, contest, in any reasonable manner, the imposition of any such taxes, licenses, tolls, inspection or other fees, but only to the extent that such contest does not adversely affect, or threaten to affect, the title of Lessor in the Equipment or impose any criminal or civil liability on Lessor. It is specifically understood and agreed that this Lease is intended to be a net lease, and as between Lessor and Lessee, Lessee shall be fully responsible for all costs and expenses of any nature whatsoever, arising out of or in

connection with or related to this Lease or the Equipment. Lessee agrees to timely file, or cause to be filed, on behalf of Lessee and Lessor, all required tax returns and reports concerning amounts required to be paid by Lessee hereunder with all appropriate governmental agencies and to send Lessor copies and confirmation of such filings upon written request therefor.

(b) Lessor shall have the right, upon notice to Lessee, to cure any default or breach by Lessee hereunder, and the amount of all reasonable expenses incurred by Lessor in connection therewith shall be paid by Lessee, as Additional Rent, with the next monthly installment of Base Rent due and payable under this Lease following the giving of such notice unless such notice shall be given on or after the expiration or the termination of this Lease, in which event such amount shall be immediately due and payable by Lessee.

5.4 Payment of Rent. All Rent shall be due and payable on the fifteenth (15th) day of each month or, in the event that the fifteenth (15th) day is a bank holiday in Los Angeles, California, on the next succeeding banking day. All Rent shall be payable to Lessor in lawful money of the United States at its address set forth at the head of this Lease, or at such other place as Lessor may designate by written notice.

5.5 Obligation to Pay Rent. Lessee agrees that its obligations under this Lease are absolute and shall continue in full force and effect during the Lease Term regardless of any disability of Lessee to use the Equipment for reason whatsoever, except when due to the gross negligence of Lessor.

5.6 Past Due Amounts. Any monthly rental installment due and payable hereunder shall become delinquent if not paid on the due date, as established hereunder. Interest shall accrue on such delinquent amounts, or on any expense incurred by Lessor under Section 5.3(b) above, at the rate of one and one-half percent (1.50%) per month, or, if such rate shall exceed the maximum rate allowed by law, then at such maximum rate, from the date of delinquency to and including the date full payment is received by Lessor.

5.7 Security for the Payment of Rent. Lessee shall assign to Lessor all of its right, title and interest in and to all payments due or to become due to Lessee under the User Lease and all subsequent subleases or rentals of the Equipment to Lessor (the "Collateral Assignment") to secure the performance of its obligations hereunder. A copy of the Collateral Assignment shall be annexed hereto as Exhibit "D".

6. MAINTENANCE

During the Lease Term, Lessee, at its sole cost and expense, shall keep or cause to be kept each item of Equipment in good working order and condition, and make or cause to be made all necessary adjustments, repairs and replacements thereto. Lessee shall, at its sole cost and expense, enter into and keep in force during the Lease Term, a maintenance agreement to maintain, service and repair the Equipment so as to keep it in as good operating condition as it was when it first became subject to this Lease, ordinary wear and tear excepted. The maintenance obligations of Lessee shall also include all maintenance obligations imposed on the User under the User Lease, which obligations are incorporated herein by this reference.

7. RISK OF LOSS; INSURANCE

7.1 Risk of Loss. Until the Equipment is returned to Lessor in accordance with Article 4 hereof, Lessee shall be responsible for, and hereby relieves Lessor of responsibility for, all risk of physical damage to, or loss or destruction of, the Equipment, howsoever caused, unless caused by the gross negligence of Lessor. Upon the occurrence of any such event:

(a) Lessee shall make, or cause to be made, at its sole cost and expense, all repairs as shall be necessary to

place such Equipment in the same condition and state of repair as it was immediately prior to the occurrence of such event and this Lease shall continue in full force and effect.

(b) In the event that an item of Equipment shall, as a result of any cause whatsoever, become lost, stolen, destroyed or rendered irreparably unusable, Lessee, at its sole cost and expense, shall promptly replace such item of Equipment (and convey title to such replacement equipment to Lessor free and clear of all leases, liens, equities and encumbrances whatsoever other than as permitted below), and this Lease shall continue in full force and effect as though such damage or destruction had not occurred. Such replacement equipment shall be an item or items of like kind equipment with associated maintenance features and devices reasonably satisfactory to Lessor (the "Replacement Equipment"), shall have a Fair Market Value at the time of such replacement and an estimated Fair Market Value at the end of the Lease Term equal to, or greater than, the corresponding Fair Market Values of the Equipment replaced (the "Replaced Equipment") immediately prior to the damage or destruction requiring its replacement and shall have an "Asset Guideline Period" (as defined in the United States Treasury Regulations, Section 1.167(a)-11), equal to or less than the Asset Guideline Period of the Replaced Equipment. Any item or items of Replacement Equipment may be subject to

(i) the User Lease or any sublease permitted under Section 9.1 hereof and (ii) the Liens or any lien permitted under Section 9.2 hereof. Effective upon any replacement of Equipment in accordance with the provisions of this Section 7.1(b), all references to Equipment in this Lease shall be deemed to refer to the Replacement Equipment in lieu of the Replaced Equipment.

7.2 Insurance. During the Lease Term, Lessee shall, at its own cost and expense, keep or cause to be kept each item of Equipment insured, at not less than the full replacement value thereof, against loss by fire, windstorm and explosion, with extended coverage and against such other risks as are customarily insured against by companies owning property of a character similar to the Equipment. All such insurance shall cover the interest of Lessor, Lessee, the Bank and any bank or financial institution permitted pursuant to Section 9.2 hereof, in the Equipment. The proceeds from any insurance policy or other recovery relating to any event which renders the Equipment unuseable shall be applied to the repair or replacement of the Equipment. If such proceeds shall not be sufficient to repair or replace the Equipment, the Lessee, at its expense, shall furnish such additional funds as shall be necessary to repair or replace the Equipment. In addition, Lessee shall maintain or cause to be maintained, at its expense, all risk public general liability insurance with a limit of not less than One Million Dollars (\$1,000,000) as to bodily injury and One Million Dollars

(\$1,000,000) as to property damage covering Lessor, as owner of the Equipment; Lessee and any permitted sublessee may also be named as insureds. Lessee shall instruct all companies providing such insurance to send copies of all policies and notices to Lessor and all such policies shall entitle Lessor to at least ten (10) days prior written notice of cancellation.

Lessee may cause any sublessee to perform Lessee's obligations to maintain insurance hereunder provided such obligations are duly performed by such sublessee and such policies provide that losses shall be payable to such sublessee, Lessee, Lessor and the parties holding any liens, as their respective interests may appear. A sublessee may provide for self-insurance if the sublessee shall have a Moody's Investor's Service, Inc. credit rating of at least "Baa" or its equivalent.

8. LESSEE TO HOLD HARMLESS

Lessee shall indemnify Lessor from and protect, defend and hold it harmless against, any loss, cost, damage or expense (including, without limitation, reasonable attorneys' fees and court costs) by reason of any claim which is in any manner connected with the delivery, warehousing, transportation, use, condition, operation, possession, control or removal of the Equipment, howsoever arising and whether or not alleged to be attributed to any default or defect in the Equipment; provided, however, that Lessee shall be subrogated to all of Lessor's

rights against third parties, including, but not limited to, the vendors or manufacturers or transporters of the Equipment, with respect to any such claims. Lessor shall give Lessee and Lessee shall give Lessor notice of any claim or liability with respect to which indemnification is provided for hereunder promptly after either learns thereof, and Lessee shall be entitled to participate in the defense thereof. Notwithstanding the foregoing, Lessee shall not be required to indemnify Lessor for any loss, cost, damage or expense (including attorneys' fees and court costs) arising out of or as a result of Lessor's gross negligence.

Lessee agrees that it will exercise and enforce for the Lessor's benefit, all rights, if any, against the manufacturer of the Equipment. If any action is brought against Lessee based on a claim that the Equipment infringes a United States patent, Lessee will promptly notify the manufacturer or the supplier thereof for purposes of exercising for the benefit of Lessor its rights against the manufacturer or the supplier under any such agreement or otherwise.

9. SUBLEASE OF EQUIPMENT; FUTURE FINANCING

9.1 Sublease of Equipment. Nothing contained herein shall limit or restrict Lessee's right to sublease any or all of the Equipment from time to time pursuant to the User Lease or otherwise, provided, that any such sublease and any right of

renewal or extension provided for therein (i) shall not extend beyond the Lease Term; (ii) shall be a bona fide third party lease; (iii) shall be written with a sublessee having a credit rating at least the equivalent of a Moody's "Baa" rating or otherwise acceptable to Lessors; (iv) shall contain a provision confirming the fact that Lessor is the owner of the Equipment and providing and confirming that Lessee has assigned rentals under the sublease to Lessor pursuant to the Collateral Assignment; (v) shall provide that the sublease is subject and subordinate to this Lease; and (vi) shall contain all provisions in favor of Lessee, as sublessor, which are typically contained in the lease form used by Lessee or major leasing companies in general. Lessee shall furnish Lessor with complete copies of each such sublease and all documents executed and delivered in connection therewith.

9.2 Future Financing. Lessee may wish to obtain financing, secured by its interest in this Lease and by any sublease permitted hereunder, upon or after the termination of the User Lease. Lessor hereby agrees to permit Lessee to grant a security interest in its interest in this Lease and any permitted sublease to facilitate such new financing provided the amount of new financing is not greater than the present value of the non-cancellable rental payments due or to become due from the subsequent sublessee pursuant to the sublease determined by the use of a discount percentage equivalent to the interest rate under such new financing ("Discounted Rent"); provided, however,

Lessor is paid, by lender upon disbursement of loan proceeds, the amount, similarly discounted, corresponding to all amounts it would receive hereunder upon Lessee's receipt of such non-cancellable rental payments.

9.3 No Release. Notwithstanding anything set forth in this Lease, neither the failure of Lessee to obtain any financing contemplated hereby nor Lessor's refusal to consent to such loan shall release Lessee from any of its obligations to Lessor under this Lease or any other document contemplated hereby.

10. PROTECTION OF TITLE

Lessee acknowledges and agrees that by the execution of this Lease it does not have or obtain, and by payment and performance hereunder it does not and will not have or obtain, any title to the Equipment, nor any property right or interest, legal or equitable, therein, or any purchase right or option, except as expressly set forth in this Lease. Lessee further agrees that it will at all times (i) protect and defend, at its own cost, the title and interest of Lessor in and to the Equipment from and against any and all claims, liens, charges, encumbrances, and legal processes of Lessee's or any sublessee's creditors or other persons having claims against Lessee, any sublessee or the Equipment, (ii) keep each item of Equipment free and clear of any such claims, liens, security interests,

charges, encumbrances and processes, except as expressly permitted herein, and (iii) confirm and warrant the title of Lessor to the Equipment and the interest of Lessor by such instruments of further assurance as it shall reasonably be requested to execute.

11. USE OF THE EQUIPMENT

Lessee covenants to cause each item of the Equipment, at all times during the Lease Term, to be used and operated under and in compliance with all applicable laws, ordinances, orders and regulations of the jurisdictions in which such item may be operated; provided, however, that Lessee may in good faith contest, at its own expense, in any reasonable manner, the application of any such rule, regulation or order if such contest or the result of non-compliance during the pendency thereof does not adversely affect or threaten to affect the title of Lessor to any item of Equipment or subject Lessor to any criminal or civil liability whatsoever.

12. RIGHT OF EXAMINATION; REPORTS

Lessee agrees that, during the Lease Term, it will permit Lessor or its agents and representatives to make such examination during normal business hours of the Equipment as Lessor may reasonably request, and, upon request, shall confirm to Lessor the location of the Equipment and shall facilitate

such examination; provided, however, that any such right of examination shall be made in conformity with the provisions of the User Lease or any other permitted sublease. Lessee shall furnish Lessor with such information concerning the Equipment, the Rent, the Liens and any lien permitted under Section 9.2 hereof, as Lessor may, from time to time, reasonably request.

13. CHANGE IN LOCATION OF EQUIPMENT

Lessee, at its own expense and upon not less than fifteen (15) days prior notice to Lessor, may move all items of the Equipment to such locations within the Continental United States of America but not elsewhere, as it deems fit; provided, however, that all items of Equipment, except those items of Equipment which, while under the control of Lessee or its authorized agent, shall be adequately identified as property of Lessor, shall at all times be located in premises owned or leased by Lessee or Lessee's authorized agent or sublessee, and Lessee shall pay the actual expenses of Lessor in connection with such move.

14. EVENTS OF DEFAULT

14.1 "Event of Default". "Event of Default" shall mean and refer to any of the following events:

(a) If Lessee shall be late in the payment of any installment of Rent by more than (i) ten (10) days, or (ii) more than three (3) days in either of the two (2) months following a month in which Lessee was more than ten (10) days late in paying Rent.

(b) If Lessee shall (i) default in the payment, performance or observance, when due, of any other covenant, agreement or obligation of Lessee to Lessor hereunder or otherwise relating in any manner to the purchase or leasing of the Equipment or (ii) have made any material misrepresentation or materially breached any warranty, covenant or agreement material to Lessor hereunder and such default, misrepresentation or breach shall continue for a period of ten (10) days after written notice.

(c) If Lessee shall assign, mortgage or encumber its interest under this Lease, voluntarily or otherwise, in violation of the provisions of this Lease.

(d) If any holder of the Liens or any lien permitted under Section 9.2 hereof, shall seek to accelerate its indebtedness or enforce its lien against the Equipment or User Lease by reason of default thereunder and Lessee shall fail to cure such default before the third (3rd) business day prior to the end of the applicable grace period, including any extensions thereof obtained by Lessee.

(e) If Lessee shall (i) admit in writing its inability to pay its debts generally as they become due, (ii) file a petition in bankruptcy or a petition to take advantage of any insolvency act, (iii) make an assignment for the benefit of its creditors, (iv) consent to the appointment of a receiver for itself or for the whole or any substantial part of its property, (v) on a petition in bankruptcy filed against it, be adjudicated a bankrupt, or (vi) file a petition or answer seeking reorganization or arrangement under the bankruptcy laws or debtor law of any other authority having jurisdiction for the relief of debtors.

(f) If a court or other body or agency of competent jurisdiction shall enter an order, judgment or decree appointing, with or without the consent of Lessee, a receiver for Lessee or the whole or any substantial part of its property, or approving a petition filed against it seeking reorganization or arrangement of Lessee under any bankruptcy or insolvency laws or any other state or federal law for the relief of debtors, and such order, judgment or decree shall not be vacated, set aside or stayed within sixty (60) days from the date of entry thereof.

(g) If under the provisions of any other law for the relief of debtors, any court of competent jurisdiction

shall assume custody or control of Lessee or of the whole or any substantial part of its property, with or without the consent of Lessee, and such custody or control shall not be terminated or stayed within sixty (60) days from the date of assumption of such custody or control.

(h) If Lessee shall accept prepayment of any rent due from any sublessee when similar amounts are to be paid to the holders of the Liens or any lien permitted by Section 9.2 hereof, if any, without simultaneously paying the same to the holders of the Liens or any lien permitted under Section 9.2 hereof, if any, in reduction thereof.

14.2 Remedies. If an Event of Default occurs and is continuing, Lessor, at its option, subject to the rights of any sublessees, may (i) by written notice to Lessee terminate this Lease; (ii) whether or not this Lease is so terminated, take immediate possession of any or all of the Equipment wherever situated, and for such purposes, enter upon any premises without liability for so doing; (iii) sell, dispose of, hold, use or lease any or all of the Equipment as Lessor in its sole discretion shall decide, without any duty to account to Lessee; (iv) declare immediately due and payable all monies due to be paid by Lessee during the Lease Term, including, without limitation, all Rent, and thereupon Lessee shall be obligated to pay such monies to Lessor immediately, less a discount by reason of the acceleration of payment thereof, calculated at the rate

of fifteen percent (15%) per annum on the average balance of such amounts which would otherwise remain outstanding over the Lease Term; provided, however, that Lessor shall not interfere with the possession and use of the Equipment by User or any other permitted sublessee of the Equipment so long as User or any such sublessee, as the case may be, shall not be in default of the User Lease or any other sublease, as the case may be, and provided that the amount of rent payable under such sublease and the obligations of the sublessee thereunder are not less than Lessee's obligations to Lessor under this Lease. Lessee shall in any event remain fully liable for damages as provided by law and for all costs and expenses incurred by Lessor on account of the pertinent Event or Events of Default, including, without limitation, all court costs and reasonable attorneys' fees.

15. TERMINATION OF LEASE

Notwithstanding the provisions of Section 14.2 above, Lessor may, at its option, terminate this Lease with respect to any item of Equipment provided that Lessor has given at least thirty (30) days prior written notice to Lessee specifying the date of such termination.

16. ADDITIONS AND ALTERATIONS

During the term of this Lease, Lessee may make alterations or add attachments to the Equipment provided the

additions and/or alterations do not (i) damage, injure or decrease the value of the Equipment in any way, (ii) interfere with the normal or satisfactory operation or maintenance of the Equipment, or (iii) create a safety hazard. At or following the termination of this Lease, Lessor may request the removal of such additions and/or alterations and Lessee shall, at its expense, restore the Equipment to its original condition.

17. INDEMNIFICATION

17.1 Lessee hereby indemnifies and holds Lessor harmless from and against any liability, obligation, loss, claim, damage, penalty, action, cost and expense (including reasonable attorneys' fees) of any kind and nature (collectively "Liabilities") imposed upon, incurred by or asserted against Lessor in any way relating to or arising out of this Lease, the Equipment, the leasing, subleasing, use, operation and maintenance thereof, and any claim by the respective holders of the Liens, by the holder of any lien created pursuant to Section 9.2 hereof or by any permitted sublessee except for any Liabilities resulting from Lessor's gross negligence.

17.2 In the event any claim for indemnification hereunder arises on account of a claim or action made or instituted by a third person against Lessor, Lessor shall promptly notify Lessee after the receipt by Lessor of notice that such claim was made or that such action was commenced.

Lessee shall be entitled to participate in or, at its option, assume the defense of any such claim or action and, if it assumes such defense, to control and settle the same. If Lessee shall only participate in the defense of such claim or action, the same shall not be settled without Lessee's prior written consent, which consent shall not be unreasonably withheld. Unless such claim or Liability is covered by insurance, Lessee shall provide Lessor with reasonable security against the reasonably anticipated recovery therein or permit Lessor joint control of the defense thereof.

18. DISCLAIMER OF WARRANTIES

THE EQUIPMENT IS BEING LEASED HEREUNDER "AS IS" AND "WHERE IS". ACCORDINGLY, EXCEPT AS SET FORTH HEREIN, LESSOR MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE SELECTION, QUALITY OR CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, ITS SUITABILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE OPERATION OR PERFORMANCE OF THE EQUIPMENT OR THE MAINTENANCE THEREOF. LESSOR SHALL, IN NO EVENT, BE LIABLE TO LESSEE FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES CAUSED, DIRECTLY OR INDIRECTLY, BY THE EQUIPMENT OR ANY INADEQUACY THEREOF FOR ANY PURPOSE, OR ANY DEFICIENCY OR DEFECT THEREIN, OR THE USE OR MAINTENANCE THEREOF, OR ANY REPAIRS, SERVICING OR ADJUSTMENTS THERETO.

19. COURSE OF DEALING

No course of dealing of Lessor nor any delay or omission of Lessor to exercise any right or remedy granted under this Lease shall operate as a waiver of any rights of Lessor, and every right and remedy of Lessor provided for herein shall be nonexclusive, cumulative and concurrent, unless otherwise expressly provided herein, and shall be in addition to every other right or remedy provided for herein or now or hereafter existing in law or in equity or by statute or otherwise. The exercise or attempted exercise by Lessor of any such rights or remedies shall not preclude the simultaneous or later exercise by Lessor of any or all other such rights or remedies. Such rights or remedies may be exercised from time to time and as often as shall be deemed expedient.

20. PERFORMANCE BY LESSEE

Lessee agrees to perform all its obligations as lessor under the User Lease or any other sublease and under the Bank Loan, as defined in the Purchase Agreement, or any subsequent loan made pursuant to Article 9 hereof, unless failure to perform is waived by the party entitled to such performance.

21. PERFORMANCE BY SUBLESSEE

Performance by User or any other permitted sublessee of the obligations and duties of Lessee hereunder shall be deemed to be performance thereof by Lessee.

22. NO PERSONAL LIABILITY UPON LESSOR
